

BE A PART OF THE GO!STYLE EXPERIENCE

The Palace of Fine Arts Theatre is the premier arts venue in San Francisco's Marina District, seating 1,000 in a continental-style configuration. GO!STYLE's target audience is between 18 and 35, middle class, young and hip Bay Area locals who are on the cutting edge of style, fashion, and culture. Your organization's message will not only reach these 1,000 young and culture-hungry concert-goers, but will also receive notable media attention. As the Bay Area's FIRST locally produced Asian American variety show, GO!STYLE will be a historical event, marking the beginning of an exciting new culture of Asian American performance! This is your chance to be a part of making this happen; to be one of the first contributors of the new Asian American Renaissance that will lift the Bay Area arts scene to a national level! *Become a sponsor today!*
