

SELL TICKETS, MAKE MONEY!

Would your student group or community organization like to get involved in promoting GO!STYLE? RAMA and viveSF are excited to offer a unique fundraising program for partnering organizations. It's a great way for your group or organization to get involved with the show and raise money at the same time. We want to share the excitement of the show by offering you the chance to promote and sell tickets to GO!STYLE. For each ticket you sell, your group or organization will make \$5 dollars!!

We will provide:

- Paper tickets for cash sales
- Online web form for CC/Paypal sales
- Printed hand flyers for promotion

All you have to do:

- Spread the word through your organization, campus, community, etc.
- Sell tickets and make money!

To take part in this exciting fundraising program, your student group or community organization must have some public presence that can be verified by RAMA. Contact us today to see if your organization qualifies.

For paper ticket sales, RAMA will provide tickets for \$5 less the full ticket price that can then be resold at full price. All profits are yours to keep. (Paper tickets must be paid for up front and are non-refundable. You MUST sell tickets at current show prices.)

For online ticket orders, each group/organization will have a special promo code to type in when ordering a ticket. Every online ticket will be tracked and RAMA will tally up the number of tickets sold by each promo code. The checks will be mailed within two weeks of the show's conclusion.

Contact us at community@gostudiorama.com to get involved in this exciting fundraising program!
